turned to Jejuila and whipped the * in June or July. mutineers.

The rout was complete and the majority of the mutineers who surrendered into the hands of the hurriedly organized reprising army were executed.

HUERTA SEEKS TO SECURE RELEASE OF PRISONERS

SAN ANTONIO, Texas, March 14 .-(Associated Press by Federal Wireless) Provisional President Huerta, that various United States Army posts along the border as technical prisoners of war are being illegally detained, writs of habeas corpus were asked yesterday by Huerta agents in the federal court here to procure the release of General Mercado and 3600 federal troops being held at Fort Bliss. The prisoners in question crossed the border when they vere driven out of Ojinaga by Villa's rebel troops and were compelled to eross the line to escape annihilation. They were taken into custody by the American troops for technical infraction of the neutrality laws, in keeping with orders issued by the war depart mont. It is not believed the writs will issued, in face of the fact that the federal court of Southern California recently handed down a decision in the Mexican prisoners held under by habeas corpus.

CONVICTED DYNAMITERS

INDIANAPOLIS, Indiana, March 13. -More than twenty labor union men, many of them high officials, convicted of criminal conspiracy in connection with the dynamiting cases, have pre-pared applications for pardons, to be presented to President Wilson. Recently the Supreme Court denied them re-

a memorial yesterday to Premier Asquith asking him to urge reconsideration by the government of its refusal to participate in the Panama-Pacific Exposition in San Francico in 1915.

Public Reginning to Realize That Bargains Are Offered by Marketing Division.

(From Saturday Advertiser.) The week at the storeroom of Territorial Marketing Division has shown strong increase in all lines of trade, declared Market Superintendent A. T. Longley to The Advertiser yesterday. The public is beginning to understand that this is a wholesals produce market and fewer retail demands are being made. Eggs are in large stock,

rapidly at 30 cents in case lots. The shipment from Japan, which broke the market ten days ago, was an entire loss to the importers and it is not be lieved that that experiment will be repeated.

Pasteboard fillers have arrived from the Const. All eggs now being re seived are repacked in thirty second-hand orange crates. as the standard egg cases that have been ordered come to hand these will be supplied to shippers, which should obviate the heavy losses thus far experienced.

Duck eggs in heavy demand and short supply. Chickens, hens and roosters firm,

proflers scarce, and active. Turkeys firm, in fair supply. Bananas active, supply not equal to demand.

Cabbage strong at 11/2 cents. Daily shipments by train from Wahiawa are selling readily.

Onions are going well at 5 cents plus 25 cents for containers for crates and 5 cents for bags. These are the finest onions ever offered on this poration has been in operation showed market, firm, clean, well-graded and gross sales of over \$125,000. James B. cured. Estimate of supply is about Castle president of the concern stated
